SAYWHAT SERVICES & PRICING

Interested in writing a book & need a professional writer? In need of having your video/audio files transcribed? Does your work need proofreading or editing?
Whatever your writing needs are, SayWhat is here to help!

LINE EDITING

Structural editing focusing on flow of ideas, transition elements, tone, & style, while fixing redundancy & verbosity issues.

Investment $750

COPY EDITING

Word-by-word editing focusing on grammar, usage, & consistency issues; while checking for typos/spelling errors, along w/ correcting grammar, language, & syntax errors. Also, paying particular attention to punctuation.

Investment $900

PROOFREADING

Final step before publication/printing that checks for overlooked typos and spelling mistakes & corrects any inconsistencies. This step is done after the raw material has already been edited.

Investment $75/hr

FORMATTING

Transforming your manuscript into a book by correcting paragraph/line breaks, indents, spacing, typefaces, & punctuation.

Investment $800

TRANSCRIBING

Professionally transcribing your audio/video files & converting to a text file. This allows your audio/video file to be tranformed & used for literary work/projects. *(Great for speakers, teachers, film,etc)*

Investment $100/hr

PRE-PUBLISHING CONSULTING

This consultation is set up between you & a published, professional content writer. We will begin with your project's goals & intent. This will allow you & the writer to see which direction best suits your needs.

Investment $75/hr
